## DRILL/SCREWDRIVER 20V - POWDP15100

This 20V drill driver from Dual Power features a torque of 50Nm and 24 torque settings, as well as two speed settings, a rotation speed of up to 1800min<sup>-1</sup> and a drilling capacity of Ø25mm in wood and Ø10mm in steel. Therefore, the cordless tool has enough power to get all jobs done around the house.

The easy-to-use drill driver provides complete freedom of movement. Changing drills is a breeze thanks to the auto-locking chuck. The direction of rotation can be changed easily as well with the flick of a switch. The built-in work light provides the necessary light to work in dark corners, while the soft grip ensures the user's comfort even during extended use.

DISCOVER THE ENTIRE PRODUCT RANGE AT  
**WWW.DUAL-POWER.COM**

### Separate battery and charger

The battery and charger are not included. They are sold separately and are compatible with the whole Dual Power range.

### Which Dual Power batter is compatible?

This 20V drill driver is compatible with both the 20V and 40V Dual Power batteries. The use of a 40V battery ensures an even longer battery run time, compared to the use of a 20V version.
