AVAILABLE JUNE 2017

MINI PLUNGE SAW - POWE30040

This 500W mini plunge saw has a compact size which allows you to effortlessly cut in wood, aluminium, plastic, ceramic and tiles with just one hand.

To guarantee accurate and clean cuts, the POWE30040 is equipped with a high precision laser and a V-shaped pointer so you can easily follow the cutting line. On top of that, the POWE30040 also has a guide fence to support your straight plunge cuts.

The depth and angle of the plunge cut can be easily changed so it meets your needs every time. The mini plunge saw is delivered in a BMC case with three Ø85mm saw blades (wood, HSS and diamond) and a dust adaptor for connection to a vacuum cleaner. The dust extraction ensures a clear view of the cutting line and a clean, dust free working environment.

TECHNICAL SPECIFICATIONS POWE30040		Features	Box content	Symbols
Rated voltage	230-240V~ 50Hz	<ul style="list-style-type: none"> • One handed operation • Laser • Soft grip • Adjustable angle • Safety guard • Aluminium base 	1x mini plunge saw
