POWX322

VACUUM CLEANER WET/DRY 1000W

This wet and dry vacuum cleaner from Powerplus removes dust and liquids quickly and efficiently. It features a blow function as well, that helps you to remove leaves and dirt from your patio or terrace. With its 15l stainless steel tank and 1000W engine, the vacuum cleaner has sufficient power to clean even stubborn dirt. The three-piece tube allows you to clean hard to reach places effortlessly. The floor nozzle enables you to vacuum all floors scratch-free and with the 2-in-1 brush nozzle you can free furniture, baseboards and corners from dust and dirt.

The manoeuvrable vacuum cleaner is equipped a 3.5m long cable and a base with four convenient wheels. The included dust bag is ideally suited for hoovering dust and dry dirt. It can be detached easily when you need to vacuum liquids.
