**LAWNMOWER 125cc 460mm - POWXG60310**

This self-propelled lawnmower can count on a 125cc Briggs & Stratton motor and a cutting width of 460mm. You can choose between 8 cutting height positions between 25 and 74mm. During mowing you can either collect the cuttings directly into the large 60 liter gras collector, or you can choose for rear discharge, side discharge or mulching.

The handle can be set at the desired height and can also be folded for easy storage. The solid steel housing can be quickly cleaned with the water nozzle.
