POWX1186 DEMOLITION HAMMER 1600W

This electric demolition hammer is perfect for your heavy duty chiseling. Thanks to its impressive 2000 impacts per minute and an impact force of 48 Joule, it can break through concrete with almost no effort.

Need to break out certain areas for the installation of tubes, cables, sanitation facilities,...? Or want to remove tiles? This power tool will get the job done in no time and is essential for all your renovation projects. The demolition hammer has an auxiliary handle with lock knob for extra control and security and is delivered in a BMC-case with a pointed and flat SDS Hex chisel.
