POWERPLUS

POWEG8012

BRUSH CUTTER 42.7cc

A large fuel tank of 1.2l and a powerful 42.7cc engine combined with a cutting width of 255mm? That's the solution for both thick bushes and overgrown grass that cannot be mowed by even the best lawnmower.

For precision garden jobs, you simply replace the cutting disc of the brush cutter with the double thread spool of the grass trimmer. You will have then a cutting width of 430mm to also make the lawn edges or hard-to-reach places look perfect.

Get started quickly and work comfortably with a bike handle, a carrying belt and less vibrations.

This 2-in-1 Powerplus machine comes with different accessories: 1 spark plug socket, 1 double head screwdriver, 1 double open spanner, 2 hex keys and an empty bottle for mixing petrol.

TECHNICAL SPECIFICATIONS POWEG8012		Features	Box content	Symbols
Cylinder capacity	42.7cc	<ul style="list-style-type: none"> • 2-stroke engine • Bike handle • Tap & go thread lengthening • Low vibration • Quick harness disconnection 	1x brush cutter
